

# REACH Substances of very high concern Certificate of Compliance

Nov 2011

Article 57 of Regulation (EC) No 1907/2006 of the European Parliament and of the Council of 18 December 2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH) defines Substances of Very High Concern (SVHC). At this time member states or the European Chemical Agency (ECHA) have approved a candidate list of 53 substances. REACH article 33 requires:

- The supplier to inform the recipient if the article (capacitor/filter) supplied contains a substance of very high concern (SVHC) above 1000ppm.

And

- Upon request by any consumer provide sufficient information to allow for safe use. Request must be responded to free of charge within 45 days.

KEMET Electronics Corporation ("KEMET") hereby certifies that the product(s) listed below (the "Products") do not contain any REACH substances of very high concern above 1000 ppm. This certificate is applicable only to the Products which have been manufactured by KEMET and have been sold by KEMET or by an authorized KEMET distributor to the Customer.

ECHA Candidate List
